The *5 Year Strategic Plan 2013 – 2017 for HUD Entitlement Programs* is required by HUD every three to five years. A public involvement process was used to obtain input on the Plan. The Plan outlines community development needs and identifies goals to meet those needs by Urban Development and others using federal Community Development Block Grant (CDBG), HOME and Emergency Solutions Grant (ESG) funds. Goals were identified in three program areas: housing, neighborhood revitalization and homelessness.

Completion of the Strategic Plan is a federal requirement for receiving CDBG, HOME and ESG funds.
